I was introduced to Premier Pain Treatment Institute after dealing with a broken back. I broke my back due to a hunting accident and couldn't walk without some type of assistance.

After seeing Dr. Danko and Nurse Practitioner April, I'm 100% in a better spot. I've had multiple procedures done. Everything is getting back to normal. I'm even gardening again. I was on a lot of pain medications, but Dr. Danko finds a solution to ease the medication side. Anytime I've had an issue he's been willing to address it. He's the best there is. Anybody who goes to him for pain treatment will be very happy when they walk out.
